

IMPORTANT NOTICE
AVOID PAYING MORE GENERATOR FEES THAN YOU OWE

Please read before preparing the enclosed Generator Fee Return.

When preparing your return, please remember that if you filed and paid a Hazardous Waste Generator Fee Prepayment, a credit for the amount of generator fee prepaid should be claimed on line 11 (Prepayment Credit) of the return. If delinquency charges (penalty and interest) were paid, please do not include those amounts in the credit. Failure to claim a prepayment credit on your return may result in an overpayment of annual fees due that will not be refunded until the reporting error is discovered.

If you are unsure if you made a prepayment, or would like assistance in preparing your return, call our Taxpayer Information Section at 800-400-7115 (TTY:711). Customer service representatives are available to assist you weekdays from 8:00 a.m. to 5:00 p.m. (Pacific time), except state holidays. Please have your account number available (36-XXXXXX).
